

Covid-19 protocol for coaches and volunteers

1. Whenever you are having symptoms and/or a fever, you stay home
2. You are to keep your distance 1,5mtr from each player and other coaches at all times
3. Exception from the distance rule only in case of injuries, where instant help to a player or fellow coach is needed.
4. Routing is communicated to players (see map on website) and has to be followed by you and by the players
5. Whenever you suspect a player having symptoms or fever, you sent him/her home and inform me
6. We are obliged to keep strict attendance registration in order to supply data in case of a contact investigation
7. Preparation of your training well upfront and all materials in place before players arrive
8. maintain hygiene protocol (desinfection of hands-both coaches and players- and desinfection of materials) before and after training. So no germs travel to or from the traininglocation.

Available per coach/field:

First aid kit including nitril gloves

Mouth masks

Handsanitizer

Oversized barrel

Desinfection spray for balls

Desinfection wipes
